

BETONMAST

YOUR MOST VALUABLE TOOL

Your eyes provide 80 % of your sensory impressions. They are a tool you can't afford to lose.

Nevertheless, we expose the eyes to danger every time we fail to protect them. In fact, eye injuries are one of the most frequent injuries in our industry. We are therefore making it mandatory to wear protective eyewear on all projects, in order for you to be able to enjoy all of life's moments.

Contact your supervisor for assistance in the proper use of protective equipment.

BETONMAST

YOUR MOST VALUABLE TOOL

Your creativity is in your hands. They are a tool you can't afford to injure.

Nevertheless, we expose our hands to danger every time we fail to protect them. In fact, cut injuries to hands are one of the most frequent injuries in our industry. We are therefore making it mandatory to wear gloves on all projects, so that you are not prevented from doing what you do best.

Contact your supervisor for assistance in the proper use of protective equipment.
